Re: BODA #66468

Supplemental Motion to Extend or Dismiss

Now comes the Respondent, Arnold Lewis Levey, and files this Supplemental Motion to the Motion to Extend or Dismiss, which was submitted for filing on March 18, 2024 to you for filing.

In attempting to comply with BODA Internal Procedural Rule 4.03(c), Extension of Time to File Reporter's Record, it is asserted that the Respondent is in the process of trying to obtain an affidavit from the court reporter pursuant to the requirements of this rule, but has not been able to do so as of this date.

The reason for this delay is due to both the limitations resulting from my health problems and also because I have been considering relying upon the clerk's record, my recollections, other facts and the law to demonstrate that the Bar's actions have not been well founded. I do not know that there is more in the reporter's record that can add to the understanding of the situation, although due to my absence from the hearing, I cannot be sure.

Once the time extension is acted upon, I can then hopefully secure the affidavit and begin work on completing the brief in support of the appeal.

Thank you for your attention to this matter.

Respectfully Submitted,

/s/ Arnold Lewis Levey
